Speech Recital Here On Thursday

The speech department of Mountain View Bible College will present its annual speech recital this Thursday, March 18, in the Didsbury United Missionary Church at 8 p.m.

There has been a full and interesting program arranged, including several recitations of well-known poems, a sacred pageant adapted from the Book of Esther, and a sacred reading depicting King Saul's visit to the Witch of Endor. To complete the program three students will compete in the annual John Suter speech contest.

Between the various parts of the recital Miss Marlene Sharman will entertain at the piano. Miss Sharman is an assistant teacher in the music department and will shortly be giving her own piano recital.

The evening will be one of interest and inspiration. All are welcome to this—the annual Speech Recital. The program for the evening may be seen in local stores. Come and bring a friend.

Letter Received From Red Cross

Following is a letter received by Mrs. E. T. Wiggins, women's work convener for the Canadian Red Cross in Didsbury district:

The Women's Work Committee of the Canadian Red Cross Society is badly in need of workers, so we are asking for your help.

Didsbury has always done such splendid sewing and knitting, but we do want more from you. The recent floods overseas and the terrible need for clothing and bedding has depleted our stocks and now we must build these up again, for none of us know when fire or flood, or even war, may strike again and it is to the Red Cross that all turn in time of disaster and we must not be found empty handed.

There have been many disasters at home too, such as fire and flood and many victims of such disasters and in need have been helped with bedding and clothing. The loan cupboard has sent sick-room supplies to those requiring them and many calls have come from the Alberta Red Cross Crippled Children's Hospital for hospital equipment.

Just here your nice order has come in and we have packed your supplies, we are so glad to have your help.

With best wishes to all the members of the Women's Work Committee.

Yours sincerely,

MRS. E. G. MASON,

National Vice-President

Note: Sewing, quilt material and yarn can be obtained at the home of Mrs. Wiggins.

Westcott News

(From Our Own Correspondent)

Mr. and Mrs. C. Topping and family were dinner guests on Sunday evening with Mr. and Mrs. B. Reinhardt.

Mr. and Mrs. Bob Hughes of Calgary moved to the farm with Mr. Hatcher's parents recently, where they will reside.

Mr. and Mrs. Herbert Goetjen and their daughter, Mrs. Marge Johnson, attended a card party at the Fred Metz home on Tuesday night of last week. Mrs. Johnson won the ladies' high score and was presented with a lovely cup and saucer.

Mrs. Ruth Long of Didsbury accompanied the Goetjens to the Metz home for the party.

Miss Eunice Sanderson is staying with friends in Edmonton for a short time.

Mr. and Mrs. John Stevenson and family of Sundre were visitors at the home of the latter's sister, Mrs. Herbert Goetjen, on Sunday.

Miss Eunice Sanderson and Mr. Chas. Brown were visitors at the Goetjen home.

Many of the gentlemen of the district are attending the Bull Sale in Calgary which is going strong at present.

Mr. Herbert Papke of Big Prairie visited in the district on Tuesday and Wednesday.

The little Bogner girls of Didsbury have been staying on the farm with their uncle and aunt, Mr. and Mrs. Elmer Luft.

Congratulations to Emma and Garry Bogner, we hear it's a boy.

Didsbury Beavers Sidelined By Crossfield High School

URANIUM CITY CURLING

Mr. John Parker of Didsbury writes about the curling up north. He was home for a holiday around Christmas and played a few games here, helping out the Wordie rink as they were short-handed.

He informs us that they have around 30 rinks in the Eldorado Camp, and the boys from Uranium City have to drive around 6½ miles to curl. They reorganized their rinks around Feb. 15 and instead of a square draw they are running a five-event long drawn out Snipe! which will last into April. This creates more interest in the club.

Next year they expect to have two sheets of ice at Uranium City instead of going all the way to Eldorado Camp and they have also ordered matched rocks for next season's play. They have no trouble regarding ice as at time of writing, March 7, it was 20 below.

Midway News

(From Our Own Correspondent)

Mr. and Mrs. Alex Stewart returned home last Sunday following a two-month's holiday. They traveled as far south as California.

Both and Roy Thomas were in Calgary on Friday.

Mr. and Mrs. R. Fisher motored to Calgary on Monday to attend the funeral of Mr. Fisher's uncle, who passed away this past week.

Mrs. Paul Hauser and Mrs. Arnold McCulloch motored to Drumheller on Thursday to attend the W.I. district conference.

Mrs. Paul Hauser is visiting over the weekend with her sister, Mrs. B. Fuller of Rockyford and her parents, Mr. and Mrs. H. Ohlhausen of Calgary.

Mrs. R. McNeese, Mrs. Fred Hoskin and Mr. G. Hoskin were in Three Hills on Thursday.

Mrs. E. Hunter is spending a few days in Calgary with friends.

Mr. and Mrs. Jesse Toews of Calgary, Mr. and Mrs. R. McNeese and Mrs. C. Swanson were Sunday dinner guests of Mr. and Mrs. H. Swanson and family.

The Midway curlers are finishing up the curling season with a mixed bonspiel.

A number of people from this district took in the bingo game at Acme on Tuesday night. It was reported that Mrs. Doug Brown won the television set.

FALLEN TIMBER

(From Our Own Correspondent)

The sympathy of the district is extended to Mrs. Hone in her recent sad bereavement.

Mr. Ed Fyten and party were recent guests at home of Mr. and Mrs. W. Fyten.

Mr. and Mrs. George Admussen and family were Sunday visitors at the home of Mr. and Mrs. J. H. Cooper. Other guests were Mr. and Mrs. C. B. Moore and Mrs. Lily McGuffin of Calgary.

Sunday dinner guests at the home of Mr. and Mrs. J. Howton were Mr. and Mrs. Bob Moore, Judy and Brian, of Bergen, and Mr. and Mrs. R. W. Moore, Gary and Monty, and Mrs. O. Moore of Calgary.

Mrs. Hayes was a visitor in the district last week.

A number of ladies of the district met at the home of Mr. J. McCaffin recently to finish the quilt for the church.

It has been decided to hold a rummage sale and variety program and auction the quilt at that time. All proceeds will go to the building of the new church. Date to be announced later.

We are glad to hear that Mrs. C. Byrt is out of the hospital.

We hear that the twins, born recently to Mr. and Mrs. Wayne Roberts of Wrentham, formerly of this district, have been named Lynn Lisle and Lorne Daniel, and will soon be able to be home.

A large number from the district attended the program put on in the Graham school by the school children and enjoyed it very much. It was a job well done by teacher and pupils.

We were sorry to hear that Mr. and Mrs. K. Bernard were in an accident last Friday afternoon on the Rugby hill, but glad to hear that no one was seriously injured.

Mrs. A. Wrentham and Donna were visitors at the home of Mr. and Mrs. H. Johnson on Sunday.

Last year's high school champs, Didsbury Beavers, dropped a 5-2 decision to Crossfield high here on Monday night in the third and final game of a best-of-three series.

Previously the southerners had downed the locals 9-3 on home ice last Thursday and then evened the playoff at one game each on Crossfield ice Saturday night, with a well earned 7-2 victory.

Not trying to make too many excuses for the showing of the local lads in the playoffs, it must be pointed out that they were the lightest team per man ever to enter in this league, while the Crossfield club were one of the heaviest.

Didsbury scoring in the final game was done by Wayne Shantz and Gerry Bateman.

At the conclusion of the high school hockey season, the Ladies' Sports Club trophy for most valuable player on the local team was made to Miller McCoy.

Members of the Beavers presented coach Cec Papke with a new radio and manager Ed Wiggins with a white shirt.

The boys who have played on these junior teams in previous years deserve more support from local fans than they have been getting but they still go all out in an effort to prove themselves in Canada's premier winter sport. It is to the credit of the coach, manager and any others connected with the Beavers that they make their time and energy available to help these future champs play the game that is emblematic of Canada.

Harmattan News

(From Our Own Correspondent)

St. George's W.A. held their meeting at the home of Mrs. A. V. Johnson on Tuesday, March 9. Plans for the serving of lunch at the Lindsay sale was the main topic of business.

This was soon dispensed with and then the meeting took the form of a surprise birthday party for Mrs. Manson, one of the members. The room was tastefully decorated with daffodils and a delicious tea was served by the hostess. Visitors for the afternoon were Mrs. W. Daver.

Mrs. E. W. Lowrie, Mrs. R. Lindsay, Mrs. Cecil Brown, and Mrs. Healey. Morning service will be held on Sunday, March 21, at St. George's Church, Canon Morgan officiating.

Miss Carol Owens of Jackson school was a recent visitor with Mrs. A. V. Johnson.

Winner of the car robe which was raffled at the dance was E. Elliott of Oids.

Norman Spooner was a recent weekend visitor in Oids.

Born to Mr. and Mrs. Dave Wolgamott of Arbuckle, Calif., formerly of Harmattan, on Feb. 26, a daughter, Nancy Ann.

Bill Turnbull has been attending electrical welding school in Calgary for the past week.

The ladies of St. George's W.A. wish to thank all the ladies who so kindly sent pies and helped in any way at the Lindsay sale Friday afternoon, especially to Mr. and Mrs. Fred Wright, who so kindly gave the use of their house.

Miss Isabel Noakes has returned from Oids where she was employed at the Treasury Branch.

Don't forget the Westward Ho Golf Club whist drive and bingo on Friday, March 19.

Mr. and Mrs. Dick Lindsay have moved to Eagle Hill where they have purchased a house.

Dick Spooner of Red Deer composite high was home for several days prior to the opening of the next semester.

USE THE CLASSIFIED FOR RESULTS

CHRISTIAN SCIENCE

Victory over human limitations comes as we learn that man's true selfhood is spiritual, not material, and that he lives in Spirit, God, not in matter — this is a leading point in the Lesson-Sermon to be heard at Christian Science services Sunday. In the Lesson-Sermon on the subject of "Matter" the following Bible verses will be read from Isaiah: "Seek ye the Lord while he may be found, call ye upon him while he is near let the wicked forsake his way, and the unrighteous man his thoughts: and let him return with the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord" (55: 6-8).

The following passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "The perfect Mind sends fourth perfection, for God is Mind. Imperfect mortal mind sends forth its own resemblance, of which the wise man said, 'All is vanity'" (239: 29). The Golden Text is from Isaiah: "The grass withereth, the flower fadeth: but the word of our God shall stand forever" (40: 8).

ENGAGEMENT ANNOUNCEMENT
Mr. and Mrs. E. Jans announce the engagement of their second eldest daughter, Ella Freda, to Mr. Joel Mitten, the wedding to take place March 27 at 3 p.m. at Redeemer Lutheran Church.

ANNOUNCEMENT

Dr. Raymond Asquith wishes to make it known that he has been, and will continue to be responsible for surgical operations required by his patients.

CARD OF THANKS

We wish to thank the people of Didsbury for their many kindnesses in helping us during the recent bereavement in the loss of our mother, Mrs. J. M. LaBrie in a car accident. Also the many kindnesses shown our father, Mr. J. M. LaBrie, while he was in Didsbury hospital. It does one's heart good to find so many kind people who are ready to help a stranger. To you all we say "thank you."

with
Marvelube 5W
the "WINTERIZED"
Motor Oil

Marvelube 5W is especially made to be "fluid" at below zero temperatures. Not only does your engine turn faster—start easier, with less battery drain—but you reduce metal-to-metal wear during the critical warm-up period.

When weather turns warm there's no need to worry about engine protection because Marvelube 5W is processed to resist thinning.

Marvelube 5W is highly detergent, and is "tough" in every way. It fights low temperature corrosion which can be a serious cause of winter engine wear.

Use Marvelube 5W for trouble-free driving—longer engine life.

This is the month the Red Cross makes its annual appeal for funds give generously when they call.

Dear Editor:

The letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straight-thinking people."
"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor."
"The Monitor gives me ideas for my work."
"I truly enjoy its company."

You, too, will find the Monitor informative, with news, news, news. You will discover a constructive viewpoint in every news story.
Use the coupon below for a special introductory subscription—8 months for only \$5.

Notes From D.A.
By Hugh McPhail

At a recent conference of agriculturists in Edmonton, Mr. Davidson, secretary of the grain Board gave an address. He was asked to say something about Garnet wheat. He said that there were hundreds of thousands of bushels taking up space in elevators but it could not be moved as there was no demand for it.

Now the price of Garnet is lowered and from now on it will be discriminated against more than ever. Because of its earliness and ability to produce a good looking sample, it remained popular with a good many farmers. It would seem good business to switch now to Saunders or Thatcher, unless it was going to be fed on the farm.

WIRE WORM CONTROL
The chemical BHC provides an effective, simple and inexpensive way of controlling wireworms, according to Dr. H. McDonald of the dominion laboratory of entomology at Saskatoon. Increases of five bushels an acre are not uncommon in wireworm country, he says, and one year its use at Saskatoon increased yields from 6 to 30 bushels per acre. One ounce of BHC per acre applied to seed grain gives immediate protection and its effects are felt for several years.

Men!
Feel Younger at 40, 50, 60
Don't be weak, low in energy, tired-out, run-down "old" any longer. Get new pep, feel years younger, quick! Get the Tonic Tablets put new vim, life, zest in body weakened by lack of iron at 40, 50, 60 or over. Invigorates, stimulates, energizes. Revitalizes blood, organs, nerves. Builds up body fat. For both sexes. Tonic Tablets "pep up" together. Try Orlone to get new vigor, energy, zest, freshness and feel your younger, today. New "pep" equivalent size only 60¢. At all drug stores.

STEEL BUILDING DEALER

for internationally known line of farm, commercial, oil, industrial and municipal buildings.

REQUIRES LOCAL REPRESENTATIVE
in the Didsbury area, who is contacting farmers and firms throughout the district. Commission basis. No stock. No financial outlay. Replies confidential.

Long Line-ups, Short Tempers

This is the season of long line-ups, screwdrivers that won't turn rusty bolts, scraped knuckles and short tempers.

Canada's three million car and truck drivers are putting on their new licence plates or adding annual tabs to existing plates.

There's no good or sensible reason why car licence plates can't be permanent plates nor why the annual fee can't be mailed in just the same way as one pays his income or property taxes, says The Financial Post. Why this archaic system in a stream-lined age? Is it because provincial governments like to make the car licence business a nuisance for citizens and elaborate for itself in order to maintain a nice barrel of petty patronage?

RUGBY BLUEBELLS HOLD REGULAR MEETING

The Rugby Bluebells met Feb. 20 at the home of Patricia and Jean Gillies with 10 members and one visitor present.

The meeting opened with a song, followed by the code and flag salute. Roll was answered by "Who Could I Help In My Community."

Mrs. O. Blain, supervisor, read a letter of instruction from headquarters. June Blain had the topic on "Etiquette". Lila Blain had the "bit of fun."

For handicraft the girls made white carnations for their mothers. The March meeting will be held at the home of Beverly Sutherland.

DOROTHY SMALLWOOD HONORED AT SHOWER

On Friday afternoon, March 5th, a shower was held at the home of Mrs. Glen Roberts, honoring Dorothy Smallwood. Mrs. Emil Krebs was co-hostess. Thirty of Dorothy's friends, neighbors and fellow workers joined together to wish her luck.

The afternoon was spent making the honored guest a scrap book consisting of her baby days to when she will be raising her own family. Mrs. Dick Wannamaker presented Dorothy with a gaily decorated buggy full of lovely gifts, pushed in by Cyndy Roberts.

Miss Smallwood gratefully thanked everyone for their kindness and good wishes. A lovely lunch ended the afternoon.

Beef and cattle may increase late this month or in April, if expectations in the trade are realized. Estimates put the increase range as high as 20 per cent.

GRINNING BROADLY, President Dwight D. Eisenhower suits to press a telegraph key which signalled the opening of the third annual International Trade Fair in Seattle, Wash. The President surprised professional telegraphers by remembering the international code which he learned 40 years ago at West Point.

No Interim Payment

There will be no interim Wheat Board payment this spring on deliveries from the 1953 wheat crop, according to a statement made by Rt. Hon. C. D. Howe, minister of trade and commerce in the House of Commons recently. The minister said that the Wheat Board had not made any sales of wheat on the last crop. Evidently, the sales that had been made in the past six months were from the carryover which totalled 363 million bushels on August 1st last.

In recent years farmers received an initial payment on the basis of \$1.40 for No. 1 northern at the terminal at the time their wheat was delivered in the early part of the crop year. An interim of 20 cents was then made during the ensuing late winter or early spring. Farmers relied on this interim payment for spring financing. The only payment which will now be paid is the final accounting on deliveries during the 1952-53 crop year.

Canadian wheat production last year was 614 million bushels, of which 584 million was produced in the prairie provinces. The Wheat Board handles the sale of wheat produced in the west.

Good seed
INCREASES PRODUCTION!
It's good business to grow your own. This year sow a few clean acres of Registered or Certified seed.

Speaking of Values . . .

Check These **PLYMOUTH** Safety Values

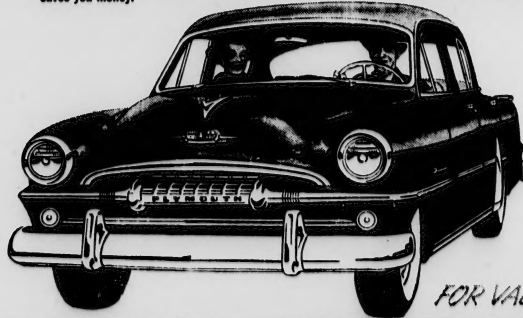

You'll discover a great difference from the moment you take the wheel

First, you'll discover new and wonderful stability. You have a clear, close-in view of the road ahead over the lower Plymouth hood. Driving is safer and much more enjoyable.

Then, the steering wheel is below eye-level. You look over the wheel—not through it. Plymouth Chair-High Seats let you sit up comfortably so you see all round. You don't get tired and cramped as in ordinary, lower seats.

To these safety features add other Plymouth values . . . outstanding Plymouth styling . . . beautiful two-tone interiors and gem-bright baked enamel body colours . . . durable Chrysler engineering that saves you money.

ROSEBUD MOTORS
PHONE 143 DIDSBURY

BEST ATTAINABLE IMAGE

The Plymouth Balanced Ride using Oriflow shock absorbers, has been widely accepted, but test the original. Feel how it eliminates pitch, roll and bounce . . . how it smooths out the roughest roads, makes pavements feel level as a table-top.

You have the all-time protection of constant-speed Electric Windshield Wipers—they won't slow down when you climb a hill or accelerate to pass as you've seen vacuum-operated wipers do.

You have balanced braking. Plymouth has two brake cylinders in each front wheel brake where extra braking effort is required—not just one like most other cars. Cyclebond rivetless brake linings last much longer—no rivets to score brake drums—greater surface contact area for more efficient braking effort.

If you like the extra ease of Power Steering—remember, Plymouth's Full-Time Power Steering is on the job all the time, from the moment your engine starts.

*Full-Time Power Steering is available on ALL 1954 Plymouths at reasonable cost.

Any way you look at it

JAMES CURRIE, Editor and Publisher

Through The Study Window

By REV. C. C. ARMSTRONG

Today is the Seventeenth of Ireland, St. Patrick's Day. It is an opportunity to ponder on the way of the Irish, and glance briefly at the Emerald Isle idea of selecting a patron saint.

Patrick himself was born, probably south of the Clyde, in Scotland, and was carried off by the Irish into slavery when a youth of sixteen. He escaped, received religious training in France, and felt himself called of God to return to Ireland and went to the people among whom he had once served as a slave.

Patrick himself was not a scholarly man, but the monasteries he founded were centres of learning and devotion. He was a self-sacrificing laborer for these people won for him the honors of a patron saint, though that victory was not a speedy nor an easy one. It was through him that Ireland was linked up with Rome and the Christian countries of the western church.

This introduction of Christianity, centred in Rome, took place at the very time that the Roman legions were being withdrawn from Britain for the defence of Italy and Rome itself. The isolated position of Ireland and the existence of vigorous tribal organizations gave a distinct sense of separation, and Ireland to this day is a country with a highly developed sense of isolationism, but politically and religiously, here the lines of division are very sharply drawn.

One must understand the causes of divisions before one can proceed in any way towards unification. Church union in this country was made easier because the land is a new one, without the long historical perspective. Our roots, historically, go back only to the middle of the nineteenth century in this province. We gaze upon scenes and upon places that have no suggestion of any connection with wars, bitterness and division that have continued through the centuries.

In the old land, the cold sod, there are traces of the Druids, the Romans, the evidence of the strug-

March Meeting of Rugby Institute

The March meeting of Rugby Women's Institute was held on the 4th at the home of Mrs. Wahl, with 14 members present. Roll call was answered by "What I was Doing When I Was Twenty."

A whist drive is to be held at the home of Mr. and Mrs. Lawrence Krebs on Monday, March 15. Proceeds will go to the Red Cross.

The secretary was instructed to buy goods for backs of quilts and a quilting bee is to be held at the home of Mrs. Hogg on March 23.

The "bit of fun" was taken by Mrs. P. Hoesgood and Mrs. Hogg spoke on Canadian Consumers for her five-minute topic.

Mrs. Wahl and Mrs. Alex Shannon are transferring to an institute in Didsbury and were presented with a cup and saucer from Rugby W.I.

For 20-year Rugby W.I. membership, Mrs. McNaughton was presented with a W.I. pin and Mrs. H. Hoesgood received a ring.

Home economic posters were on display and Mrs. Vipond, Mrs. W. Laft and Mrs. D. Hoesgood were chosen to make one for the con-

gle of centuries of poverty, oppression and unrest. I deplore the unhappy divisions that exist in Ireland, and in Canada, too, for that matter, in matters of religion and race, but a meagre knowledge of history gives some measure of understanding of how these things came to be.

Nevertheless, let us not stop with the idea of division. The Jews and Gentiles of Jesus' time were separated antagonistic and unrecalled. Yet through the Cross and the Resurrection they were brought together, and made one. Ireland has Patrick, Wales has David, Scotland has Andrew, and England has George. What name shall we associate with Canada? Champlain? Bishop Laval? Egerton Ryerson? Father Lacombe? McDougall Rundle? Surely not any one of these, but rather a recognition that each and all of them, under God, have played a part in making Canada what she is and what she may yet become.

Regular Meeting Lone Pine W. I.

The March meeting of Lone Pine W.I. was held at the home of Mrs. Sam Elliott with 16 members and seven visitors present. Roll call was answered by tuning in "Calisto" labels for the Calgary "Sun".

Woolen and cotton goods to be shipped to Fairfields were turned in. The report of the February 26th dance showed a good profit. A St. Patrick's dance is planned for March 19th.

Mrs. C. Ehret held the "bit of fun", which was won by Mrs. P. Neufeld. The 10-cent draw netted \$2.50 and was won by Mrs. W. McCulloch.

The April meeting will be held on the 14th at Mrs. Chris Ehret's.

SURPRISE PARTY FOR CLIFFORD BERSCHT

On Wednesday evening, Feb. 24 a surprise party was held at the home of Mr. and Mrs. Syd Wright in honor of Clifford Berscht, who celebrated his 21st birthday.

Music was provided for dancing by Bill Smith and Leonard Wright and all joined in a sing-song.

During the evening a lovely lunch was served, which was very much enjoyed by all.

ference.

Winners of the bread contest were Mrs. Ray, first and Mrs. McNaughton, second. Tea draw was won by Mrs. Bruce Nelson.

Next meeting is to be held at the home of Mrs. Thompson.

WESTERDALE NEWS

(From Our Own Correspondent)

A dance will be held at the hall, Friday, March 19, with Fisher's orchestra supplying the music.

A meeting of the Willing Workers was held at the home of Mrs. Ben Kershaw last Wednesday afternoon with seven members present. The meeting opened with a song, followed by the creed.

Roll call was answered with "how to improve our meetings." It was agreed to charge \$3 for teasing and carding wool and \$2 for carding only.

A motion was passed that a donation of \$5 be sent to the Didsbury Old Folks Home. It was decided to continue the whist parties for awhile longer, with the remainder to be held at the hall.

It was decided to card wool and quilt at the home of Mrs. J. Cowie on Thursday afternoon.

The tea money hostess prize was won by Jimmy Herbert.

The April meeting will be held at the home of Mrs. R. Jackson.

Mrs. J. P. Schrader left by plane last Tuesday evening for Eastern Canada to be with her mother, who is ill.

Mr. A. Buckley entered a team in the Didsbury Farmers' Bouspiel. Playing with him were Mr. J. Cowie, Mr. J. E. Bolton and Mr. Ben Kershaw.

Only three boards of crokinole were in play at the home of Mr. and Mrs. L. Jones last Tuesday evening. Top scorers were Mrs. L. Jones and Tommy Jones, while consolation went to Miss Dorothy Hunt and Mr. Ben Kershaw.

YOU can have Better Grades... Greater Yields with British LEYTOSAN

In one, simple, easy treatment of your seed grain you can assure yourself of increased crop profits. Leytosan gives your seed grain an extra chance by controlling soil-borne diseases efficiently and economically. This has been the experience of Western Canadian farmers during the past nineteen years.

Check these features:

- Increases Germination
- Improves Grades
- Stops Smut
- Helps Check Root Rot
- Free-Flowing
- Practically Odorless

For those who prefer a wet treatment, Leytosol "C" is most effective in the control of soil-borne diseases.

In wire worm areas, effective control of this menace may be assured by the use of Leytosan G-91. Leytosol G-91 is a dual treatment possessing all the qualities of Leytosan in controlling soil-borne diseases.

It pays to do business with Britain because Britain, in turn, is one of Canada's best customers. When you buy British products such as Leytosan you help sell your own grain.

**For Young Men of 16****Apprentice Training for a Bright Future**

THE MOST ENTHUSIASTIC SUPPORTERS of the Canadian Army's Apprentice Plan are those young men now enrolled, and their parents. A happy, clean-cut group, the Soldier Apprentices receive a combination of school study, discipline and trades training, as well as sports and other recreation.

The carefully balanced programme of Soldier Apprentice Training helps to develop and mature judgment and self-discipline. There is plenty to study and learn, but the happy environment of Soldier Apprentice Training seems to make this whole process so much easier and more pleasant.

Out of his training, the Soldier Apprentice emerges as a qualified tradesman with the opportunity of building a fine career for himself in the Army.

The young man of 16 who enrolls receives:

- thorough trades training in one of 16 trades.
- academic training — in such subjects as physics, chemistry, algebra, English.
- the general military training of the Canadian soldier.

Learning and living with other young Canadians of their own age stimulates healthy and happy comradeship as well as intense pride in their squadrons and units.

Soldier Apprentices are eligible for all Army benefits, including 30 days annual leave. They receive half pay when 16 and on their 17th birthday they receive full pay.

The young man, with a minimum of grade 8 education, who is interested in the happy, healthy and purposeful life of the Soldier Apprentice should investigate immediately.

For an interesting booklet and full information on Soldier Apprentice training, write, phone or visit the Army Information Recruiting Centre nearest your home.
